THIS PERMIT is ~~granted~~ subject to the following conditions:

1. That the use and occupation of the said premises shall be without cost or expense to the Department of the Army, under the general supervision and subject to the approval of the officer having immediate jurisdiction over the premises, and subject also to such rules and regulations as he may from time to time prescribe.
2. That the permittee shall, at its own expense and without cost or expense to the Department of the Army, maintain and keep in good repair and condition the premises herein authorized to be used.
3. That any interference with or damage to property under control of the Department of the Army incident to the exercise of the privileges herein granted shall be promptly corrected by the permittee to the satisfaction of the said officer.
4. That the permittee shall pay the cost, as determined by the said officer, of producing or supplying any utilities and other services furnished by the Department of the Army or through the Department of the Army facilities for the use of the permittee.
5. That no additions to or alterations of the premises shall be made without the prior consent of the said officer.
6. That if for any reason it should be deemed necessary or expedient for the Department of the Army to perform functions and/or render services which are the responsibility of the permittee, the officer may, in lieu of reimbursement, require the permittee to furnish the personnel and/or materials required for the performance of said functions and/or for the rendering of said service. In addition to furnishing personnel and/or materials, the permittee shall reimburse the Department of the Army for any costs incurred by the Department of the Army in connection with said functions and/or services, such as for supervision and/or equipment furnished. Selection of such personnel will be

subject to the approval of the said officer.

7. That on or before the date of expiration of this permit or its relinquishment by the permittee, the permittee shall vacate the said premises, remove its property therefrom, and restore the premises to a condition satisfactory to the said officer, ordinary wear and tear and damage beyond the control of the permittee excepted. If, however, this permit is revoked, the permittee shall vacate the premises, remove its property therefrom, and restore the premises as aforesaid within such time as the Secretary of the Army may designate.

8. That the permittee will provide not to exceed 10,000 square feet of open storage space within the permitted area for use of the Alaska Communications System, Department of the Army Signal Corps with essential ingress and egress; and will afford ingress and egress to the Department of the Army through the permitted area between Warehouse No. 5, the adjacent storage area to the east, and East Marginal Way.

9. That the permittee will assume full responsibility for operation of all railroad trackage, AIT, utilities systems and facilities, including furnishing water and sewer service for Warehouse No. 5, and for the furnishing of necessary maintenance and guard service at gates pertaining to the permitted premises, including such as required by the Department of Health, Education and Welfare in connection with premises occupied by them, all the above subject to reimbursement by the using agency to the Air Force Contractor by check and not by inter-agency transfer of funds, upon proper billing by the Air Force contractor of the proportionate costs attributable to each as follows:

a. As to Warehouse No. 5, Department of the Army to pay proportionate share of water, sewer and guard service at gates.

b. As to open storage space provided Alaska Communication System, Department of the Army to pay proportionate share of guard service at gates.

c. Department of Health, Education and Welfare to pay proportionate share of water and sewer costs and guard service at gates, the Department of the Air Force not being required to furnish any additional services to this property.

d. The AIT system and electricity for Warehouse No. 5 under the Department of the Army, for Alaska Communication System Department of the Army, and for Department of Health, Education and Welfare, will be put on separate meters and the cost of AIT and of electricity will be borne directly by the user.

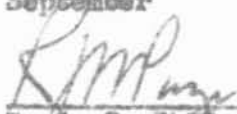

10. The railroad trackage presently in need of major repair will not be required to be repaired to a usable condition by the permittee, unless the permittee desires it.

11. The current contract for repair work on the roofs of Buildings 3, 4, and 5 will be completed by the Department of the Army.

12. The Department of the Army will designate in writing to the permittee the officer having immediate jurisdiction over the premises mentioned in paragraphs 1, 3, 4, 5 and 6 above.

13. That the Letter Right of Entry dated 10 January 1957 granting to the permittee use and occupancy of the southerly three sections of Warehouse No. 4 within the permitted area, is hereby cancelled and superseded.

IN WITNESS WHEREOF I have hereunto set my hand by authority of the Secretary of the Army this 20th day of September 1957.
